Job Summary

Company

Aerospace Engineering & Support, Inc.

Location

Ogden, UT

Job Type

Full Time
Swing Shift

Years of Experience

Two years or more recent experience

Education Level

Trade School, High School Diploma or Equivalent

Position Description:

Aerospace Engineering & Support, Inc has been in operation for 32 years in Aerospace Manufacturing. We are looking for a person that has experience in painting manufactured and assembled parts. The primary responsibilities are but not limited to following specifications of contract requirements in paint aircraft parts, sub assemblies, final assemblies and components. Must be able to follow direction and read and understand blue prints and contract requirements. While performing the duties of this job, the employee will be required to use the proper protective equipment to limit the exposure to fumes and/or airborne particles. The noise level in the work environment and job sites can be loud. The physical demands for this position will include walking, sitting, bending, lifting, and moving throughout work hours. Employee may be required to lift up to 50 pounds alone and on occasion heavier items with assistance. Employee will be required to hold close tolerance on paint thickness.

Position Responsibilities:

- Prepare parts, components or assemblies for priming or painting including masking, tacking and cleaning
- Determine primer and paint types, drying times, painting environment and safety precautions.
- Mix and apply primer or paint as specified by manufactures
- Monitor all paints and primer's shelf life and dispose of all out of date paints as required.
- Clean and maintain paint equipment as required.
- Able to read and understand specifications, blue prints and directions.
- Able to maintain close tolerance on paint thickness.

Position Qualifications:

Individual must be able to perform each essential duty satisfactorily. The knowledge and skills required are listed below.

- Thoroughness
- Ethical Conduct
- Communication Proficiency
- Initiative
- Ability to follow attendance policy
- Time Management
